NOTE:

-  The service provides the customer with the rights to use, occupy and physically access CityNet's duct and manhole space on a non-exclusive basis for the purposes of installing, deploying, operating, maintaining, repairing, testing and removing customer cables for the sole purpose of providing telecommunication services
-  Standard service does not come with any SLA/SLG
-  The Standard Service excludes access to CityNet's lead-in ducts and associated lead-in manholes. This will be provided under CityNet's RAO.
-  All prices in the tariff table are quoted on a per kilometre and per annum basis
-  Standard Service charges includes O&M for ducts and manholes
-  Charges are payable monthly in advance
-  Charges applicable on a per cable basis. Cable refers to any cable installed by customer up to a maximum diameter of 35mm
-  Cable length calculated based on length of duct plus 3 metres for every manhole accessed by the cable
-  Customer may be required to provide a security deposit of either \$20,000 or three (3) times the monthly invoice amount, whichever higher
-  One-time charges applicable under the Standard Service will be the same as those applicable under CityNet's RAO for duct and manhole access.
-  If the tenure or length required is not found, please contact us
