

Tariff for Installation of Fibre Termination Point in Non-Residential Premise

Overview

1. The Non-Residential End-User may engage NetLink Trust to perform the following:
 - Installation of Fibre Termination Point without retail service subscription in a non-residential premise.
2. The Non-Residential End-User may engage NetLink Trust to perform the work as stated in paragraph 1 by submitting a request via email through NetLink Trust's website.
3. The Non-Residential End-User shall be liable to pay for each request for installation of Fibre Termination Point in a non-residential premise according to the rates listed below:

Installation of Network Charge	
Description	Charges (S\$)*
Non-Residential End-User Connection from Central Office to Fibre Termination Point inside the Non-Residential Premise	\$717 per connection

* Excludes tax

Scope of Work

4. The scope of work for the installation of Fibre Termination Point to be undertaken by NetLink trust pursuant to this tariff is limited to the following:
 - (a) Installation of vertical fibre/in-building cabling, ducting, enclosure and/or cable tray from the FTTB Node to the Fibre Termination Point inside the Non-Residential premise. For the avoidance of doubt, the Non-Residential End-User shall be responsible to obtain and/or maintain any licence or permission necessary for NetLink Trust and/or its contractors to carry out installation of a new fibre cable along the common corridor, walkway, doorway etc.; and
 - (b) Installation of Fibre Termination Point at a location as advised by the Non-Residential End-User and assessed to be appropriate by NetLink Trust.

Other Terms & Conditions

5. NetLink Trust will not proceed with the work if the Non-Residential End-User is unable to obtain or maintain any licence or permission necessary for NetLink Trust and/or its contractor to carry out the said work. For the avoidance of doubt, the Non-Residential End-User shall be responsible for any security deposit, escort charges and/or other fee(s) imposed by any third party.

NetLinkTrust

the fibre of a smart nation

6. The Non-Residential End-User shall ensure that NetLink Trust and/or its contractor are/is granted ease of access at all times to perform the said work. NetLink Trust shall use its reasonable endeavour to minimise damage to the wall and/or other fittings save that NetLink Trust shall not be responsible or liable to move or shift any furniture or item belonging to the Non-Residential End-User, re-plaster the wall, perform any painting work or reinstate the wall and/or other fittings, or such other work deemed outside the applicable scope of work as advised by NetLink Trust.
7. For the avoidance of doubt, all other costs arising from the request as incurred by NetLink Trust (including but not limited to installation of cable tray and other relevant work) shall be separately chargeable by NetLink Trust and paid for by the Non-Residential End-User.
